EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Michael Grendzynski on June 24, 2004.

The application has been amended as follows:

In claim 1,

Line 3, after "first axis", --, wherein the channel extends from a first opening to a second opening-- has been inserted;

Line 5, after "second", "access" has been deleted;

Line 5, after "second", --axis, wherein the channel extends from a first opening to a second opening--.

The following is an examiner's statement of reasons for allowance: none of the prior art of record alone or in combination teaches a device for holding writing instrument comprising a first engagement member including a channel that receives a first writing utensil along a first axis, wherein the channel extends from a first opening to a second opening; and a second engagement member including a channel that receives a second writing utensil along a second axis, wherein the channel extends from a first opening to a second opening; wherein a portion of the first engagement

member is tangentially connected to the second engagement member such that the first axis is offset at a selected angle from the second axis.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Huyen Le whose telephone number is 703-306-5504. The examiner can normally be reached on Monday-Friday from 9:00 am to 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gregory Huson can be reached on 703-308-2580. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system.
